Education		
BML Munjal University	MBA - HR	03/2022 - 03/2024
Khalsa College For Women	BBA - HR	08/2018 - 07/2021
St Thomas Sen Sec School - CBSE	XII Commerce	04/2017 - 05/2018
Professional Experience		
KPIT	Sr. Executive - HRBP	April 2025 - Present
	Executive - HRBP	April 2024 - March 2025
Compensation, Payroll & Salary Structure (HR-C&B / CNB) - Managed end-to-end execution of promotion cycle activities (excluding senior grades), ensuring accurate and timely increment processing. - Provided payroll inputs support, benefits administration, and day-to-day C&B operational support with a focus on accuracy and turnaround. - Created and maintained compensation class bands (CC0 to CC4) in the system, enabling employee salary range mapping and consistency checks.		
Multi-Country HR Projects, Allowances & Benchmarking - Contributed to HR projects across Sweden, Netherlands, Germany, United States, Japan, China, South Korea, United Kingdom, Belgium, India, Thailand, France, Italy, Poland, Vietnam, Tunisia, Brazil, and Mexico, supporting end-to-end rollout of global HR initiatives. - Designed and implemented the Sweden Per Diem process end-to-end, including process flow, system logic, eligibility conditions, validations, and processing controls. - Implemented the City Allowance component in the salary structure for the United States and Germany from requirement finalization through system configuration and rollout. - Conducted compensation benchmarking, market research, peer reviews, and metrics recommendations to support allowance and price-related inputs across assigned global markets. - Processed Sweden insurance policies end-to-end and reviewed Netherlands insurance policy for optimization and renewal inputs. - Researched and consolidated voluntary benefits proposals for Sweden, Germany, and Japan to strengthen benefits competitiveness.		
Process Improvement, Policy Updates, Reporting & Controls - Supported HR process automation initiatives by documenting payroll input flows, coordinating requirements, validating outputs, and raising enhancements such as ticketing chatbot integration and automated file generation. - Updated allowance policy values for Children Education, Hostel, and Meal Allowance, including stakeholder confirmation, employee communication, and system implementation. - Prepared monthly Business Review Meeting (BRM) materials with team members by consolidating datasets, analyzing inputs, and presenting key insights to senior management. - Managed NPS processing, reconciliations, and required uploads/submissions for India and onsite populations with compliance and data accuracy.		
Health, Wellness & Employee Engagement - Owned health check-up program operations end-to-end, covering employee communications, vendor coordination, query handling, and execution support. - Led A+ Dinner / Annual Awards event execution for top performers, including vendor shortlisting, menu finalization, term and price negotiation, award logistics, and resort/hotel bookings. - Initiated and managed a month-long Pathon step-count challenge with vendor support, awarding top three individual and team winners and driving employee participation. - Managed monthly wellness initiatives and coordinated with external vendors and on-ground teams for smooth delivery.		
Collaboration & Stakeholder Management - Worked closely with HRBPs, managers, and cross-functional teams to deliver multi-country C&B outcomes with high accuracy. - Took on additional responsibilities beyond core scope while maintaining quality and turnaround standards.		
Dabur India Limited	HR Executive Trainee	Winter 2022 & Summer 2023
- Sourced and screened potential candidates for positions such as RSP, SI, SO, TM, and PS through the Naukri platform. - Used Pulse software for creating RFH and employee codes, primary assignments, attendance and leave monitoring, and MWT mapping. - Handled interns across programs such as Sharks, Whales, YSLP, YMDP, and the Big Day Live project. - Arranged employee engagement events for Environment Day, World events, and Dabur Big Day.
