

ANKUSH SHARMA

Technical Professional | ECE Graduate | Aspiring ATL Mentor

ankushh.sharmaa100@gmail.com | +91 98788 95501 | Chamba, Himachal Pradesh, India

PROFILE SUMMARY

Technical professional with hands-on experience leading website management and business-process automation, complemented by a strong foundation in Electronics & Communication Engineering. Comfortable across backend development, IoT-oriented systems, Linux, and API-driven automation. Drawn to hands-on, project-based STEM learning and looking to bring this practical, build-and-fix mindset to mentoring students at an Atal Tinkering Lab.

EDUCATION

B.Tech, Electronics & Communication Engineering
